About this book

This book is from **Mpower**.

Mpower is a community group that helps

- children and young people

- parents and carers.

This book is about how we manage your **feedback** and **complaints**.

Feedback is when you tell us what you think.

A complaint is when

- you are **not** happy

and

- you tell us the reason.

What are your rights?

You have a right to tell us what you think.

Anyone can give feedback or make a complaint to us.

Feedback and complaints can be about anything to do with you and Mpower.

For example

- a therapy

- a program

- a person.

Your feedback and complaints help us give better services.

How we support you

We want all people we support to be happy.

Everyone should feel free to tell us what they think.

We will listen to you if you want to tell us

- what you are happy about
- what you are **not** happy about.

We will make it easy for children and young people to make a complaint.

We have rules about what we **must** do when you make a complaint.

We will follow these rules.

What we will do when you make a complaint

If you tell us you are **not** happy with something at Mpower, we will

- check what we can fix to make you happy

- make sure nobody is unfair to you because you make a complaint

- put your complaint in our **feedback register**.

The feedback register is a safe place where we keep all complaints.

We will also keep your **privacy**.

Privacy means we will **not** share what you tell us with anyone unless you say **yes**.
